Cry Wolf Wilbur Smith 2018-01-01 An action-packed adventure set in 1930s Africa from global bestseller Wilbur Smith “They recognised in each other that same restlessness that was always driving them on to new adventure, never staying long enough in one place or at one job to grow roots, unfettered by offspring or possessions, by spouse or responsibilities, taking up each new adventure eagerly and discarding it again with our qualms or regrets. Always moving onwards — never looking backwards.” The wartime race to save a country… When Jake Barton, American engineer, teams up with English gentleman and hustler Gareth Swales to sell five battered old Bentleys in 1930s East Africa, neither of them could have imagined that they’d soon be attempting to smuggle the vehicles into Ethiopia to support the war effort, in return for a huge reward. But to do this, they’ll have to manoeuvre past several extremely hostile European forces, as well as managing their feelings for Vicky Camberwell, the beautiful journalist who has been sent with them to report on the brutal violence of the Italian invasion of Ethiopia. The three adventurers are about to discover that some battles are more than they can handle…

Rethinking the Power of Maps Denis Wood 2010-04-16 A contemporary follow-up to the groundbreaking Power of Maps, this book takes a fresh look at what maps do, whose interests they serve, and how they can be used in surprising, creative, and radical ways. Denis Wood describes how cartography facilitated the rise of the modern state and how maps continue to embody and project the interests of their creators. He demystifies the hidden assumptions of mapmaking and explores the promises and limitations of diverse counter-mapping practices today. Thought-provoking illustrations include U.S. Geological Survey maps; electoral and transportation maps; and numerous examples of critical cartography, participatory GIS, and map art.

The Coen Brothers, Second Edition Ronald Bergan 2016-01-05 Brought completely up to date, this insightful biography remains "a must for any self-respecting Coen fan" (Screentrade). This fully updated edition of the first biography of the Coen Brothers includes their complete work so far, from Blood Simple to Inside Llewyn Davis (2013), with a reassessment of their remarkable career as a whole. Joel and Ethan Coen have pulled off the ultimate balancing act. Despite having their movies financed and distributed by major studios, they have managed to remain true independents, rejecting commercial clichés and never giving up on their own fiercely idiosyncratic vision. While doing so, they have established themselves among the world's leading filmmakers. From their startling debut, Blood Simple (1984), all of their movies reveal a distinctive stamp: a flamboyant visual style, richly conceived characters, crisp dialogue, and brilliant casting. They have revitalized old Hollywood genres such as noir, screwball, and the western, giving them a contemporary sensibility. In this biography, Ronald Bergan traces the brothers' Jewish roots, their beginnings as film geeks in suburban Minneapolis, their battle to get their first feature made and released, through their early features and the movies of their maturity. He gives blow-by-blow accounts of the making of each movie. New chapters cover all those released since O Brother, Where Art Thou? (2000), with which the first edition of this book ended.

Dark Dreams 2.0 Charles Derry 2009-12-21 Greatly expanded and updated from the 1977 original, this new edition explores the evolution of the modern horror film, particularly as it reflects anxieties associated with the atomic bomb, the Cold War, 1960s violence, sexual liberation, the Reagan revolution, 9/11 and the Iraq War. It divides modern horror into three varieties (psychological, demonic and apocalyptic) and demonstrates how horror cinema represents the popular expression of everyday fears while revealing the forces that influence American ideological and political values. Directors given a close reading include Alfred Hitchcock, Brian De Palma, David Cronenberg, Guillermo Del Toro, Michael Haneke, Robert Aldrich, Mel Gibson and George A. Romero. Additional material discusses postmodern remakes, horror franchises and Asian millennial horror. This book also contains more than 950 frame grabs and a very extensive filmography.
Some Men's Dreams Eileen Dreyer "A rich, remarkable read." — RT Booklovers SHE HAS NO TIME FOR LOVE Dr. Gen Kendall has paid too high a price to let anything get in the way of her dream. In one month she'll be a full-fledged doctor. She just has to impress her chief of staff, Dr. Jack O'Neill. She impresses him, all right. With one swing of a softball bat she puts him in his own hospital and changes both of their lives forever. HE HAS NO TASTE FOR LOVE A widower with a 12-year-old daughter, Jack hopes this move to Chicago will signal a new life for them both. He doesn't plan on finding himself literally at the feet of one of the most compelling women he's ever known. He certainly doesn't expect her to turn his life upside down when she recognizes something in his daughter that could well break his heart. Is love enough to see them through, especially when it means that not just Jack but Gen must face the ghosts of their pasts to save his little girl

The Child Fiona Barton 2017-06-27 From the New York Times bestselling author of The Widow comes a twisting novel of psychological suspense—as seen in People, Entertainment Weekly, Time, USA Today, Bustle, Good Housekeeping.com, HelloGiggles, The Boston Globe, PureWow, The Dallas Morning News, and more! “The Child is a perfect blend of beach read and book club selection....[A] page-turning whodunit....A novel that is both fast-paced and thought-provoking.”—USA Today As an old house is demolished in a gentrifying section of London, a workman discovers human remains, buried for years. For journalist Kate Waters, it’s a story that deserves attention. She cobbles together a piece for her newspaper, but at a loss for answers, she can only pose a question: Who has been found at the building site? As Kate investigates, she unearths connections to a crime that rocked the city decades earlier: A child was stolen from the maternity ward in a local hospital and was never found. Her heartbroken parents were left devastated by the loss. But there is more to the story, and Kate is drawn—house by house—into the pasts of the people who once lived in this neighborhood that has given up its greatest mystery. And she soon finds herself the keeper of unexpected secrets that erupt in the lives of three women—and torn between what she can and cannot tell... The Way Back ‘Round Brenda Sorrels 2013-11 Set in rural Minnesota in the 1930's, The Way Back 'Round follows young Jake Frye, who enjoys nothing more than sitting between his father's legs while driving a wagon team of horses. However, when a large buck juts across their path and pitches Jake from the seat, his mother, tender from a string of miscarriages, reins him in. Jake's frustration builds and he makes a devastating mistake. Rejected by his mother and wracked with guilt, Jake hops a freight train joining the thousands of men and boys riding the rails during the depression. He meets Franz, another runaway, and they become brothers. Picking fruit in California, and cotton in Texas, they beg at back doors, eat in soup kitchens, sleep in "jungle" camps - all under the threat of brutal railroad "Bulls" who patrol the tracks. While Franz dreams about marrying a red-headed girl, Jake yearns for his family. When a farmer tells them about Roosevelt's Conservation Corps camps set up to help young men like themselves, they head to California and join up.

Good Enough to Dream Roger Kahn 2000-02-01 Roger Kahn?s first major league hit was a grand slam: The Boys of Summer, his runaway bestseller that immortalized the 1950s Brooklyn Dodgers. Now Kahn does the same for players whose moment in the sun has not yet arrived. Good Enough to Dream is the story of his year as owner of the Class A, very minor leagueøUtica Blue Sox. Most of the Blue Sox will never make it to the majors, but they all share the dream that links the small child in the sandlot with the bonus baby who has just smacked one out of the stadium. It?s a dream Kahn learned from his father and, in the course of a season, passes on to his daughter?hours of practice for a moment of poetry; a hard living but a touch of legend. Good Enough to Dream presents baseball unadorned, a game still sweet enough to lure grown men to leagues where first-class transportation is an old school bus and the infield is likely to be the consistency of thick soup. It is a funny and poignant story of one season and one special team that will make us hesitate before we ever call anything ?bush league? again.
Heart of Thorns Bree Barton 2018-07-31 Inventive and heart-racing, this fierce feminist teen fantasy from debut author Bree Barton explores a dark kingdom in which only women can possess magic—and every woman is suspected of having it. Fans of Leigh Bardugo and Laini Taylor won’t want to miss this gorgeously written, bold novel, the first in the Heart of Thorns trilogy. In the ancient river kingdom, where touch is a battlefield and bodies the instruments of war, Mia Rose has pledged her life to hunting Gwyrach: women who can manipulate flesh, bones, breath, and blood. The same women who killed her mother without a single scratch. But when Mia's father announces an alliance with the royal family, she is forced to trade in her knives and trousers for a sumptuous silk gown. Determined to forge her own path forward, Mia plots a daring escape, but could never predict the greatest betrayal of all: her own body. Mia possesses the very magic she has sworn to destroy. Now, as she untangles the secrets of her past, Mia must learn to trust her heart...even if it kills her.
Dreams and Dead Ends Jack Shadoian 2003-01-16 Dreams and Dead Ends provides a compelling history of the twentieth-century American gangster film. Beginning with Little Caesar (1930) and ending with Things To Do In Denver When You're Dead (1995), Jack Shadoian adroitly analyzes twenty notable examples of the crime film genre. Moving chronologically through nearly seven decades, this volume offers illuminating readings of a select group of the classic films--including The Public Enemy, D.O.A., Bonnie and Clyde, and The Godfather--that best define and represent each period in the development of the American crime film. Richly illustrated with more than seventy film stills, Dreams and Dead Ends details the evolution of the genre through insightful and precise considerations of cinematography, characterization, and narrative style. This updated edition includes new readings of three additional movies--Once Upon a Time in America, Things To Do In Denver When You're Dead, and Criss Cross--and brings this clear and lively discussion of the history of the gangster film to the end of the twentieth century.

After Hitchcock David Boyd 2010-01-01 Alfred Hitchcock is arguably the most famous director to have ever made a film. Almost single-handedly he turned the suspense thriller into one of the most popular film genres of all time, while his Psycho updated the horror film and inspired two generations of directors to imitate and adapt this most Hitchcockian of movies. Yet while much scholarly and popular attention has focused on the director's oeuvre, until now there has been no extensive study of how Alfred Hitchcock's films and methods have affected and transformed the history of the film medium. In this book, thirteen original essays by leading film scholars reveal the richness and variety of Alfred Hitchcock's legacy as they trace his shaping influence on particular films, filmmakers, genres, and even on film criticism. Some essays concentrate on films that imitate Hitchcock in diverse ways, including the movies of Brian de Palma and thrillers such as True Lies, The Silence of the Lambs, and Dead Again. Other essays look at genres that have been influenced by Hitchcock's work, including the 1970s paranoid thriller, the Italian giallo film, and the post-Psycho horror film. The remaining essays investigate developments within film culture and academic film study, including the enthusiasm of French New Wave filmmakers for Hitchcock's work, his influence on the filmic representation of violence in the post-studio Hollywood era, and the ways in which his films have become central texts for film theorists.
Tell Me It Was Just a Dream Mary Gant Bell 2019-05-27 It’s been said that everything can change in an instant. Valerie Walker can testify to this. One day her idyllic life was consumed with the mundane tasks involved with being a mother of three active children and the wife of the mayor. From one breath to the next, all of that changed. Now Valerie struggles to salvage the shattered pieces of her life. But where doe she begin? Her mother’s heart wants to comfort her husband and children. Unfortunately, their very survival must take precedence over luxury. If Valerie and her husband cannot keep everyone alive, there’s no point in soothing their souls. Will they survive this tragedy, this shocking surprise? If they do, will they be able to rebuild the peaceful lifestyle they all enjoyed before the catastrophe uprooted them from their tranquility? Or will this disaster tear them apart?
